

Winning Music Groups To Perform For Public

15 May 1986

Wasatch H.S. (LRJ) Music lovers can look forward to two special treats from the high school music department. The Wind Ensemble will be performing Tuesday, May 20 at 7:00 p.m. in the auditorium; and the Jazz Ensemble will be in concert Friday, May 23 at 7:00 p.m. at the same location.

The students who performed in the wind group have recently returned from the All-American Festival at the University of California, Fullerton. They

present for the community's pleasure those numbers offered in competition this spring besides a few surprise numbers. John Phillips Sousa's "The Stars and Stripes Forever" is one piece that Mr. Greg Pitt, Director, says will be played for march lovers.

The Wasatch High School Jazz Ensemble has recently won recognition for the 6th consecutive year at the State Jazz Festival. This year's band was the highest scoring one ever and was able to participate in a

number of festivals. It, too, recently returned from the All-American Festival in California, where it was the only instrumental group to receive a "Superior" rating.

The band is led by Laurisa Ward and Ken Critchfield, who were both named Outstanding Soloists at the State Jazz Festival. The Jazz Ensemble will be performing Friday on the same program as the vocal groups.
